

★ = high chance of appearing (ranked against past IBPS PO Mains papers and 2026 bank exams). Each answer is followed by the key fact and its source. Marking: +1.2 right, -0.30 wrong.

1. Under the RBI's revised framework on limiting customer liability in fraudulent electronic banking transactions, notified on 24 June 2026 and effective for transactions from 1 January 2027, a customer has zero liability for a fraud caused by a third-party breach if it is reported to the bank within: ★

Ans (A) 5 calendar days

RBI's Responsible Business Conduct Third Amendment Directions (24 Jun 2026, effective 1 Jan 2027) replace the 2017 '3 working days' rule with 5 calendar days for a third-party breach. If the bank was negligent, liability is zero even when the fraud is not reported (Lexology / MediaNama / Upstox, Jun 2026).

2. Under the same revised RBI framework (effective 1 January 2027), within how many calendar days must a bank resolve a customer's complaint about a fraudulent electronic banking transaction that is domestic, and one that is cross-border? ★

Ans (D) 45 days and 60 days

Final Directions of 24 Jun 2026: banks must examine the complaint, fix liability and respond within 45 calendar days for domestic fraud and 60 for cross-border fraud. The 2017 circular allowed up to 90 days (MediaNama / Business Standard / Ujjivan SFB, Jun 2026).

3. The National Cyber Crime Helpline '1930' and the National Cybercrime Reporting Portal (cybercrime.gov.in), where victims of online financial fraud should report at once, are operated by:

Ans (A) Indian Cyber Crime Coordination Centre (I4C), Ministry of Home Affairs

The MHA's I4C runs the NCRP (cybercrime.gov.in, launched 30 Aug 2019) and the 24x7 helpline 1930. Its Citizen Financial Cyber Fraud Reporting and Management System links banks and wallets so that stolen funds can be frozen quickly (I4C / Wikipedia).

4. 'Chakshu', a facility for citizens to report suspected fraud communication received by call, SMS or WhatsApp (such as fake KYC-update or bank-impersonation messages), is available on which platform?

Ans (B) Sanchar Saathi portal of the Department of Telecommunications

Ashwini Vaishnaw launched Chakshu on the DoT's Sanchar Saathi portal on 4 Mar 2024, together with the DoT's Digital Intelligence Platform. The RBI's Sachet portal handles complaints about illegal deposit-taking (Business Today / Moneylife, Mar 2024).

5. To curb fraud, NPCI discontinued which UPI feature with effect from 1 October 2025?

Ans (D) Person-to-person (P2P) collect requests

NPCI's circular of 29 Jul 2025 stopped P2P 'collect' (pull) requests on UPI from 1 Oct 2025, because fraudsters used them to trick users into approving payments. Merchant collect requests continue (MediaNama / Outlook Money).

6. To help customers tell genuine bank calls from fraud calls, the RBI in January 2025 directed banks and other regulated entities to make transactional and service voice calls to customers only from which number series?

Ans (C) 1600xx

RBI circular of 17 Jan 2025 (in line with TRAI rules): the 1600xx series for transactional and service calls and the 140 series for promotional calls, with compliance due by 31 Mar 2025. Banks must also clean their databases using the DoT's Mobile Number Revocation List (MediaNama / Lexology).

7. On 1 December 2025, a Supreme Court bench led by CJI Surya Kant entrusted which agency with a pan-India investigation into 'digital arrest' scams, including the role of bank staff in opening mule accounts?

Ans (D) Central Bureau of Investigation (CBI)

On 1 Dec 2025, the SC (CJI Surya Kant and Justice Joymalya Bagchi) handed the pan-India digital-arrest probe to the CBI, allowed action against bank officials over mule accounts, and asked the RBI whether AI/ML could be used to freeze such accounts (Business Standard / MediaNama, Dec 2025).

8. Following a Supreme Court order of 4 August 2026, the RBI issued a draft SOP in September 2026 for banks to place temporary debit holds on suspected money-mule accounts or transactions. Unless a law enforcement agency instructs otherwise, what is the maximum duration of such a hold? ★

Ans (D) 60 days

The draft amendment to the KYC Directions (11 Sep 2026) covers flagged transactions of Rs 1,000 or more, gives customers 20 days to explain, and caps holds at 60 days unless an LEA instructs otherwise. The proposed effective date is 1 Apr 2027 (MediaNama / Business Standard, Sep 2026).

9. The RBI's April 2026 discussion paper 'Exploring Safeguards in Digital Payments to Curb Frauds' proposed a cooling period for account-to-account transfers above Rs 10,000, during which the payer can cancel the payment. How long is the proposed cooling period?

Ans (C) One hour

The RBI discussion paper of 10 Apr 2026 (comments due by 8 May 2026) proposed a 1-hour hold on transfers over Rs 10,000 and 'trusted person' approval above Rs 50,000 for people aged 70+ and persons with disabilities. Frauds reached 28 lakh cases worth Rs 22,931 crore in 2025 (Business Standard / Swarajya, Apr 2026).

10. Which of the following fraud types is INCORRECTLY matched with its modus operandi?

Ans (B) SIM swap - a fraudster persuades the victim to install a screen-sharing app to read OTPs on the victim's phone

In a SIM swap the fraudster gets a duplicate SIM for the victim's number and receives the OTPs. Tricking a victim into a screen-sharing app is remote-access fraud. The RBI's BE(A)WARE booklet (7 Mar 2022) lists both separately (RBI / Factly).

11. In June 2026, the Reserve Bank of India recognised which entity as the Self-Regulatory Organisation (SRO) for the Account Aggregator (AA) ecosystem? ★

Ans (B) Sahamati Foundation

RBI recognised Sahamati as the AA-ecosystem SRO on 5 Jun 2026, under its SRO framework of 12 Mar 2025. The ecosystem has 17 operational Account Aggregators. FACE is the RBI-recognised fintech SRO (Business Standard / Sahamati, Jun 2026).

12. Under the RBI (Digital Lending) Directions, 2025, what is the cap on Default Loss Guarantee (DLG) cover, and within what overdue period must the lender invoke it?

Ans (C) 5% of the loan portfolio; within 120 days of overdue

The Directions of 8 May 2025 cap total DLG cover at 5% of the amount disbursed from the loan portfolio. The lender must invoke it within 120 days of overdue, and an invoked DLG cannot be reinstated (Argus Partners / Mondaq, 2025).

13. Under the RBI (Regulation of Payment Aggregators) Directions, 2025, what is the maximum value per transaction for inward or outward (export/import) payments processed by a Payment Aggregator - Cross Border (PA-CB)?

Ans (D) ₹25 lakh

The Directions of 15 Sep 2025 cap each PA-CB transaction at ₹25 lakh. Non-bank PAs need a net worth of ₹15 crore at application and ₹25 crore by the third year (Winvesta / Lexology, 2025).

14. UPI 123PAY is NPCI's UPI service for feature-phone users, with a per-transaction limit of ₹10,000. Which of the following is NOT one of its payment modes?

Ans (C) NFC tap-and-pay on a POS terminal

UPI 123PAY (launched Mar 2022) has four modes: IVR, app-based pay on feature phones, missed call and proximity sound-based payments. NPCI circular OC-209 (25 Oct 2024) raised its limit from ₹5,000 to ₹10,000. NFC tap is a UPI Lite X feature (NPCI / Digital India).

15. Under full delegation in NPCI's 'UPI Circle', what are the maximum monthly limit and per-transaction limit for payments by a secondary user?

Ans (D) ₹15,000 per month; ₹5,000 per transaction

UPI Circle launched at GFF in Aug 2024. A primary user can add up to 5 secondary users, and full delegation is capped at ₹15,000 a month and ₹5,000 per transaction (NPCI / Paytm / PhonePe).

16. Which of the following statements about India's payment systems is NOT correct?

Ans (D) IMPS and NACH are owned and operated by the Reserve Bank of India

IMPS and NACH are NPCI systems; the RBI operates RTGS and NEFT. NEFT has run 24x7 in 48 half-hourly batches since 16 Dec 2019, and in Oct 2021 the RBI raised the IMPS limit from ₹2 lakh to ₹5 lakh (RBI / Business Standard).

17. According to the RBI Annual Report 2025-26, what was the value of retail digital rupee (e₹-R) in circulation on 31 March 2026? ★

Ans (D) ₹771.66 crore

RBI Annual Report 2025-26 (29 May 2026): e₹-R fell about 24%, from ₹1,016.46 crore on 31 Mar 2025. Wholesale e₹-W stood at nil on both dates (Business Standard / Business Upturn, May 2026).

18. Under RBI's directions on due diligence of AePS Touchpoint Operators (ATOs), effective 1 January 2026, acquiring banks must carry out fresh KYC of an ATO that has not performed any transaction for a continuous period of:

Ans (B) 3 months

RBI directions of 27 Jun 2025 (effective 1 Jan 2026): an ATO that has been inactive for 3 consecutive months must be re-KYC'd before it can resume. Banks must also monitor ATO transactions (TaxGuru / Business Standard, 2025).

19. The Central KYC Records Registry (CKYCR) is operated by _____, and the KYC Identifier Number (KIN) it gives each customer has _____ digits.

Ans (A) CERSAI; 14

CERSAI runs the CKYCR for the Government under the PMLA and its Rules. Each customer gets a 14-digit KIN that can be reused for KYC across banks, insurers and mutual funds (CERSAI / HDFC MF).

20. Under RBI's 'Digital Payments - E-mandate Framework, 2026' (April 2026), recurring e-mandate debits up to ₹15,000 need no additional factor of authentication. For mutual fund subscriptions, insurance premiums and credit card bill payments, this relaxed limit is: ★

Ans (B) ₹1 lakh

The framework was issued on 21 Apr 2026 for cards, PPIs and UPI. It allows e-mandate debits without AFA up to ₹15,000 generally and ₹1 lakh for MF, insurance and credit card bills, with a pre-debit alert at least 24 hours before each debit (SCC Online / KPMG, 2026).

21. What is the theme of the RBI's 'Payments Vision 2028', released on 27 March 2026?

Ans (B) Shaping India's Payment Frontier

Released on 27 Mar 2026, it sets out 15 initiatives up to Dec 2028, such as electronic cheques and switching digital payment modes on or off. 'E-Payments for Everyone, Everywhere, Everytime' was the theme of Payments Vision 2025 (RBI / Onmanorama, Mar 2026).
