

★ = high chance of appearing (ranked against past IBPS PO Mains papers and 2026 bank exams). Each answer is followed by the key fact and its source. Marking: +1.2 right, -0.30 wrong.

1. In November 2025, the RBI issued function-wise consolidated Master Directions for 11 types of regulated entities and repealed more than 9,400 circulars. How many Master Directions were issued in this exercise?

Ans (B) 244

On 28 Nov 2025 the RBI issued 244 consolidated Master Directions and repealed about 9,445 circulars. The October 2025 draft had proposed 238 (RBI / ET / Business Line).

2. The RBI (Commercial Banks – Asset Classification, Provisioning and Income Recognition) Directions, 2026, which bring in the Expected Credit Loss (ECL) framework, come into force from: ★

Ans (A) April 1, 2027

The Directions were notified on 27 Apr 2026 and come into force on 1 Apr 2027. They apply to Commercial Banks, excluding SFBs, Payments Banks and Local Area Banks (RBI notification).

3. Under the RBI's ECL framework for commercial banks, a loan more than how many days past due is presumed (unless rebutted) to show a 'significant increase in credit risk', moving it from Stage 1 to Stage 2?

Ans (C) 30 days

Under the ECL Directions of 27 Apr 2026, a significant increase in credit risk is presumed when contractual payments are more than 30 days past due. This presumption can be rebutted (RBI notification).

4. To soften the one-time impact of moving to ECL provisioning, commercial banks may add back part of the transitional adjustment to CET1 capital over a glide path ending on:

Ans (D) March 31, 2031

Under the ECL Directions of Apr 2026, the add-back falls from 4/5 in FY2027-28 to 1/5 in FY2030-31, so the glide path ends on 31 Mar 2031 (RBI notification).

5. Under the RBI (Commercial Banks – Minimum Capital Requirements for Market Risk) Directions, 2026, issued on 21 September 2026, commercial banks must calculate market risk capital using the:

Ans (C) Simplified Standardised Approach

The Basel III market risk Directions of 21 Sep 2026 take effect on 1 Apr 2027. Banks must use the Simplified Standardised Approach, and the Directions exclude SFBs, Payments Banks and LABs (RBI notification).

6. Under the RBI (Commercial Banks – Credit Facilities) Amendment Directions, 2026 (13 February 2026), bank finance for an acquisition may not exceed what share of the acquisition value?

Ans (C) 75%

Bank finance is capped at 75% of the acquisition value, and the post-deal debt-equity ratio must stay at or below 3:1. On 30 Mar 2026 the RBI deferred the norms to 1 Jul 2026 (RBI notifications).

7. The RBI (Authentication Mechanisms for Digital Payment Transactions) Directions, 2025 require domestic digital payments to be verified with at least two distinct authentication factors. By what date did regulated entities have to comply for domestic transactions?

Ans (C) April 1, 2026

The Directions were issued on 25 Sep 2025, and domestic 2FA compliance was due by 1 Apr 2026. A separate deadline of 1 Oct 2026 applies to non-recurring cross-border card-not-present transactions (MediaNama, Sep 2025).

8. Under the RBI's revised capital market exposure norms of February 2026, the ceiling on bank loans to an individual against shares/eligible securities was raised from ₹20 lakh to:

Ans (A) ₹1 crore

The Credit Facilities Amendment Directions of 13 Feb 2026 set a cap of ₹1 crore per individual and allowed IPO/FPO/ESOP financing of up to ₹25 lakh. They took effect on 1 Jul 2026 after being deferred (RBI notifications).

9. Under the same Directions, which for the first time allow loans against silver, what is the aggregate limit on silver ornaments one borrower can pledge? ★

Ans (A) 10 kg

From 1 Apr 2026 the limits are 10 kg for silver ornaments and 500 g for silver coins; silver bars and ETFs are not eligible. The gold limits are 1 kg for ornaments and 50 g for coins.

10. If a lender does not return pledged gold/silver within 7 working days after the loan is fully repaid, RBI's gold and silver loan directions require it to compensate the borrower at: ★

Ans (C) ₹5,000 per day

Under the gold and silver lending Directions effective 1 Apr 2026, a lender that delays returning the collateral beyond 7 working days pays ₹5,000 for each day of delay.

11. In the RBI's digital-fraud compensation framework, for a domestic fraud the customer's bank and the beneficiary bank each contribute 10% of the net loss. What share does the RBI bear? ★

Ans (D) 65%

Under the June 2026 Directions, the RBI bears 65% of a domestic fraud loss and each bank 10%. At the ₹25,000 cap that is ₹19,118 from the RBI and ₹2,941 from each bank. In cross-border cases the customer's bank bears 20%.

12. Under the Risk-Based Premium framework for deposit insurance, which DICGC implemented from 1 April 2026, the annual premium per ₹100 of assessable deposits ranges between: ★

Ans (C) 8 and 12 paise

The framework was released on 6 Feb 2026 and replaced the flat 12 paise with 8–12 paise. Banks are rated in categories A to D, with a vintage discount of up to 25% (Rediff, Feb 2026).

13. Under the RBI's January 2026 PSL amendment, bank loans to which institution for on-lending now qualify as priority sector credit?

Ans (B) National Cooperative Development Corporation (NCDC)

The PSL Amendment Directions, effective 19 Jan 2026, allow bank loans to NCDC for on-lending to count as priority sector lending (TOI, Jan 2026).

14. Under the RBI's Lending to MSME Sector (Amendment) Directions, 2026, banks are mandated not to accept collateral for loans to Micro and Small Enterprises of up to: ★

Ans (C) ₹20 lakh

The amendment of 9 Feb 2026, effective 1 Apr 2026, raised the mandatory collateral-free limit from ₹10 lakh to ₹20 lakh. Banks may go up to ₹25 lakh for units with a good track record (RBI notification).

15. From 1 July 2026, an NBFC that neither uses public funds nor has a customer interface does not need RBI registration if its asset size is below: ★

Ans (C) ₹1,000 crore

From 1 Jul 2026, such NBFCs with assets below ₹1,000 crore are exempt from registration as 'Unregistered Type I NBFCs'. Existing eligible NBFCs could apply for deregistration by 31 Dec 2026 (Business Today, Aug 2026).

16. In September 2026, with the rupee under pressure, the RBI amended the FEMA (Export and Import of Goods and Services) Regulations. From 1 October 2026, within how many months must exporters realise and repatriate the proceeds of normal (non-INR-invoiced) exports? ★

Ans (C) 9

The September 2026 amendment replaced 15 months with 9 months, and 18 with 12 months for INR-invoiced exports. It takes effect on 1 Oct 2026 (TaxGuru / BusinessLine, Sep 2026).

17. In June 2026, to attract foreign currency inflows, the RBI opened a special USD-INR swap window for fresh FCNR(B) deposits and exempted them from CRR and SLR. Deposits of which tenor were covered? ★

Ans (D) 3 to 5 years

The window for fresh 3–5 year FCNR(B) deposits was originally open until 30 Sep 2026. The RBI closed it early, on 31 Aug 2026, after strong inflows (BusinessLine / Indian Express).
